

ESPY Green Team Job Description

Thank you for your interest in working for Kilowatt Events at the 2019 ESPYS Award Show. ESPN strives to significantly reduce the environmental impacts of its owned events, as evidenced by the sustainability achievements of its annual award show over the past decade, which include zero waste to landfill and carbon neutrality. The show relies on a dedicated green team staff to help meet sustainability performance goals in categories such as waste management, material recovery, responsible water usage, and carbon offsets. The following is a detailed job description for the ESPYs green team position.

Location: Microsoft Theater, Downtown Los Angeles

Dates: July 5th-12th, 2019 (*One weekend day off*)

Hours: 6-12 hours/day

Pay: \$16/hr Green Team Coordinator, \$20/hr Green Team Manager

*****Neither Kilowatt Events nor ESPN will be providing room, board, or travel for Green Team staff*****

Job Duties:

- Attend pre-event conference call(s) for program planning and design
- Engage in eco-education efforts and communicate program initiatives to guests and staff
- Execute waste diversion efforts from landfill, including pre- and post-event
- Support zero waste efforts by setting up and sorting waste at the ESPYS and ancillary events
- Place and refill water coolers to prevent plastic bottle waste

Attire:

To comply with the professionalism necessary for this event, Green Team staff must adhere to the following rules. Clothing should be comfortable and may get soiled from the nature of the work. Work gloves and sorting supplies provided. It will be very warm at the event, and some of the work will be outside. Bring sunglasses, sunscreen, water bottle (we will have refill stations).

Event Days

- Polo, shorts/pants, and comfortable shoes
- SHOW DAY: Black pants, black shoes, black collared shirt

Non-Event Days

- Shorts no shorter than 3 inches above the knee
- Jeans permitted, though it will be warm
- Comfortable, closed-toed shoes
- Polo or blank tee shirt with no logo

Green Team staff members must be passionate about sustainability, with prior work experience either in CESR or sustainable event management a plus. Must be able to execute physical labor tasks (e.g., lift 40+ lbs), be prepared to get a little dirty from waste sorting activities, be able to withstand warm weather in outdoor environments, and be comfortable on your feet for the majority of the working day. Must be able to communicate clearly and in a friendly demeanor to educate others on our environmental initiatives. Must be able to take initiative with minimal supervision at times.

Any interested candidates that meet the requirements above should send an email with resume and cover letter to Meghan Tierney at m.tierney@kilowattevents.com with "ESPYS Green Team" in the subject line.
